INSTRUCTIONS FOR LABELING* CADET T-SHIRTS

1. You will only be putting the **LAST** name of the cadet on a white T-shirt.
2. Place T-shirt on a hard surface and lay flat.
3. Insert a piece of cardboard into the shirt to act as a barrier, so the marker does not bleed into the back of the shirt. All letters will be black and a “sharpie” permanent marker works best.
4. Locate where the upper chest portion of the shirt would be on the Cadet. This may be 3” or 4” below the neckline. (Test fitting prior to labeling would be recommended).
5. Draw a **“light”** pencil line across the chest, where the bottom of the letters will go. This is only a reference line and shouldn’t be noticed when worn.
6. **All letters are to be 2” high and upper case.** They are not to be in “3D” form or done with bold marker. A single line from a “sharpie” marker is what is required.
7. Count how many letters in the Cadet’s **LAST** name. If there is an odd amount of letters, i.e. five, place the third letter **centered** on the line and then fill in the letters behind and forward of it. If there is an even amount, i.e. six, draw a light vertical pencil line in the center of the chest going across the existing horizontal line and put the third letter on the left side and the fourth letter on the right side of the line. Then fill in the remaining letters. **Cadets are to have their LAST name on the front AND back of the shirt.**
8. Cadets are to appear at camp wearing their T-shirts and black shorts with white socks and athletic shoes upon checking in.

FINAL REVIEW

DO NOT BRING ANY EXTRA ITEMS, such as books, watches, radios, TV, cameras, Ipods/electronics, money, or tobacco of any kind. Any extra items will be sent home. Any illegal items will be confiscated and will result in prosecution.

All personal items will be inspected at check-in. We reserve the right to take any items, which we deem to be dangerous and hold same until the end of camp. Any cadet who fails to follow the rules and regulations of the camp will be expelled.

Any medications that will be required during the week should be placed in a baggie and each medication marked with the cadet's name on it.
